

GUIDE TO FY 2009/10 OPERATING BUDGET (CONT.)

This guide to the Fiscal Year 2009/10 operating budget is intended to assist readers in understanding the layout of this document. The staff of the city of Carson strives to provide the residents and the general public with timely and accurate information regarding the city's operating budget.

This document is divided into 6 major sections:

- Introduction
- Budget Overview
- Revenues
- Expenditures
- General Fund Work Group Budgets
- Glossary

In the paragraphs that follow, descriptive information will be given on the layout and information contained in each of these six major sections.

- **Introduction**

The Introduction section is mostly narrative in format and contains the following items:

- ❖ **The City Manager's and Administrative Services GM's Budget Message:** This message presents general information on the city's budget, the city's economic growth, the financial outlook, and the budget highlights for the adopted fiscal year.
- ❖ **About the city of Carson:** This narrative provides information on the history, demographics, and regional importance of the city. This section also contains the recent developments within the city.
- ❖ **Guide to FY 2009/10 Operating Budget:** This document presents information on the layout and contents of the budget document.

- **General Fund Work Group Budgets**

This fifth major section is the General Fund Work Group Budget section. The General Fund summary presents a summary of expenditures by line item object code. As with all other summaries in this section, it includes actual expenditures for FY 2005/06, FY 2006/07 and FY 2007/08, the adopted, the amended budgets and the estimated actual expenditures for FY 2008/09, the adopted budget for FY 2009/10. Following the General Fund Summary are the work groups within the General Fund, sectioned by a work group tabbed divider with an organizational chart on the back of the tabbed divider. The ten work groups within the General Fund are City Council, City Attorney, Non Departmental, City Clerk, City Treasurer, City Manager, Administrative Services, Economic Development, Development Services and Public Services. Each work group section includes the following items in order of appearance:

- ❖ **Work Group Summary by Category:** This section contains the work group's budget by the four major categories - salaries &

- benefits, operations & maintenance, capital outlay and other financing uses. It also includes a narrative of the work group's functions and responsibilities.
- ❖ **Work Group Summary:** This is a summary of the work group's total operating expenditure budget by line item object code. If a work group has only one division and one program, then the work group summary and division summary are omitted and replaced by the program budget.
 - ❖ **Personnel Summary - By Work Group:** This schedule gives one an overview of the work group's total number of personnel and their corresponding salaries. It includes a 2-year history of the approved number of positions for FY 2006/07 and FY 2007/08. In addition, it also lists the adopted number of positions and salaries for FY 2008/09 and the adopted number of positions and corresponding salaries for FY 2009/10. At the bottom of this schedule is the total cost of salaries and benefits, including full-time and part-time salary costs, overtime, and fringe benefits for the work group.
 - ❖ **Division Summary:** Each of the work groups may consist of one or more divisions. If a work group consists of more than one division then a colored insert will separate the divisions within the work group. The division summary is a report of actual, amended and adopted budget expenditures by line item object code at the division level. If a division has only one program, then the division summary is omitted and replaced by the program budget.
 - ❖ **Personnel Summary - By Division:** The Division Personnel Summary is identical in format to the work group personnel summary, except the information is shown at the division level. In addition, these summaries may contain notes describing salary budget allocations and position reorganizations, where applicable.
 - ❖ **Program Budget :** Each of the division in each work group may consist of one or more programs. The program summary is a report of actual, amended and adopted budget expenditures by line item object code at the program level. If a division has only one program, then the division summary is omitted and replaced by the program budget.

- **Glossary**

The last section of this book is the Glossary. It contains definitions of a variety of governmental accounting and budgeting terms.

We hope all users of this document find it efficiently organized, informative, and, most of all, understandable. For any questions regarding the city's operating budgets, please feel free to call Jacquelyn Acosta, Administrative Services General Manager, at (310) 830-7600, ext. 1200.
